Using the same technology that is needed to create the mosaic, we can capture Over 3000 Freeze frames from your video and burn them to a Data-DVD for You to archive, re-print or re-create your own custom wedding album.

Cost \$150.00 * Standard Definition will provide 4X6 printable pictures
However, if your wedding is shot in Hi-Definition the stills that we capture
Can be printed up to 5X7 .**

SDE – Same Day Edit

We can create a short 7-12 minute video with footage from the ceremony and even The entrance and first dance. We then have several options. We can show it to your Guests on a large screen or plasma screens, and you will also have the option of Having us create favors for all of your guests. We'll pre-print disks, either standard Size DVD's or mini-DVD's and package them in beautiful satin pouches, and have Them ready 1 hour before the end of the night so that your guests can pick them up On the way out. We'll even print your picture (engagement) on the disk!

SDE – and show it on Large projection screen -		\$ 850.00
SDE – and create DVD's for the guests to take home	Reg. Size DVD's 100	\$ 750.00
	Plus projection	\$1050.00
	Mini Size DVD's 100	\$ 800.00
	Plus projection	\$1075.00

Each wedding will present various restrictions on us for time. So please call and we'll Put together a time table to make sure this is possible for your event. We can provide Plasma screens instead of the projection system, but that is subject to individual quotes.

Bride's Home Coverage

Option 1 – Only available on either 2 camera package

One of the cameramen will arrive at your home several minutes before you leave, And will capture your special moments as you leave your home for the last time. We'll capture the Bride, the Bridesmaids, Mom & Dad, the limos, and the neighbors.

Cost \$75.00

Option 2 – Only available on either 2 camera package

Our cameraman will arrive at your home approximately 1 hour before you leave for the Church. While trying not to interfere with your photographer, we'll capture all the Special moments as you prepare. Varied use of Black & White and slow motion effects Help to enhance the emotion of this special time.

Cost – Starting at \$325.00 (within 15 miles of studio – per map quest)

LIVE wireless video transmission

Take all of the excitement and fun of the reception, and project it onto a 10' screen as it's Happening - WITH NO WIRES. The special dances, Cutting the cake, Garter, Bouquet toss, let everyone see it as it's happening!! We now have a New wireless Video transmitting system that allows our cameramen to roam freely anywhere in the room and capture everything that is happening, and at the same time, be showing it on a large Large Screen totally wirelessly. People sitting at the tables can still see everything that is going on, no matter how crowded the dance floor!!

Cost \$250.00 (transmission equipment only – video screens are extra)

Overtime Charges

1 camera pkg - \$75.00 per half hour.

2 Camera deluxe or Signature pkg- \$150.00 per half hour .

Holiday Rate

\$150.00 per camera operator - (New Years Eve, July 4th Weekend, Labor Day weekend)

BIG-SCREEN Photo shows

We'll assemble a group of your favorite photos, combine them with our immense library of graphics, effects and music, and editing style we'll create an interactive DVD and show it at the wedding on your choice of display. From a 26" flat panel on the placecard table, to 42" plasma screens elevated on posts during the cocktails or during the reception.

What a great way for you and your guests to reminisce about the past.

With our special editing techniques, graphics, and movements, this photo show becomes a true video experience. After the wedding you keep the DVD!

\$3.25 per photo includes introduction, graphics, music and DVD interface.

We can provide various screen set-ups to fit many different needs. From 26" plasma screens priced at \$100.00 up to full 10' projections systems. screen rental and setup are separate charges.

I-Pod Wedding - We'll convert your entire wedding video to the ipod format and burn to a CD-rom

Cost \$79.00

SDE – Same Day Edits

These are very individual, and prices can vary greatly depending on each clients needs and wants. We can interview the bride and groom at our studio, in the park, or at the Jersey Shore on the beach, as this can greatly effect pricing.

We'll pre-create a short video, then insert short clips from the wedding ceremony and even the first dance into this video immediately after they happen and then show the result on a large-screen during the reception. This has a WOW! Factor of 10!! we even have the capability to duplicate copies at the wedding, and have your guests leave with a Copy!

Call for a price estimate.
